The fifth 2018 hike for the Selkirk, Cabinet, Purcell Hiking Group will be Wednesday May 30th to and around the Deer Ridge Lookout, from the Deer Creek side. The first two miles will be up to the Lookout. From there we will hike along Deer Ridge and back down. The total will be about 8 miles, but one can shorten that up anywhere past the Lookout.

Here is an internet description of the Deer Ridge Lookout, which is available for overnight use. Here is another internet description. It says: The lookout is perched atop Deer Ridge at an elevation of 4,755 feet. The view from the facility includes the rugged Purcell mountain peaks and the beautiful Moyie River Valley and Moyie Springs.

Here is my Google Earth description of the Deer Ridge Lookout hikes and how they connect to other trails in the area.

To avoid the cold and fog, we will be leaving a little later on this one: 9:00AM from the Big Flag Information Center Parking Lot Bonners Ferry. If anyone wants to be picked up at the Three Mile, please let us know.

It should be a beautiful hike. Plus, see my Hiking Blog for more information and great views of Boundary County. Please RSVP by email or phone if you are coming.
