

## Checklists, Signs Strategy Checklist

1. Signs could be anything
  - a. one slide down the arm
  - b. one slap
  - c. one touch
  - d. one finger, etc
  - e. 3 is nothing on
2. 3 Signs, 1,2, and 3 strategic times
  - a. 1 is need 1 run
    - i. Bunt with man on first or second
      1. Different than baseball because of the spin
      2. Toward the pitcher
      3. Get low, With butt up
      4. Like catching forward with your thumb
      5. Lower strike zone
    - ii. Two strikes slap or normal two strike routine
  - b. 2 is normal for man on first or second
    - i. Zone first strike, especially hitting behind the runner
      1. Hopefully pitcher is trained to pitch outside away from centerline
      2. Zone based on what we have seen him do
    - ii. Bunt on second strike
    - iii. You will be surprised how often it surprises
    - iv. Normal two strike routine
  - c. 3 is for Can't afford an out
    - i. No bunts
    - ii. Way ahead or behind
    - iii. No one on base
    - iv. Hit away
    - v. Get on base
