Other News and Important Dates:

Bishop's Committee Meeting 2nd Tuesday, Nov. 12th at 10:00AM

We received the grant forms for the Church Growth and Development Committee of the Diocese of Spokane. Since we have no projects that need grants this year, we should use this time to prepare requests for next year. Qualifying initiatives or programs must: a) be completed during the 12 months following the receipt of the funds; b) must be mindful of existing mission policies of the Diocese; c) must demonstrate a well defined goal and plan to achieve that goal; and d) must not include activities funded by the operating budget.

October 18-20th Diocese convention discussed: Zita Pace and Mary Brackebusch are our delegates, Ray Olsen is the alternate. Thanks to Tom Rodda, everyone is registered and ready to go this weekend.

Harvest Dinner this year will be November 24th at the Shrine Building (a half block west and a little north of Mario's Mexican Restaurant near Safeway).

Guild info for Newsletter:

Louise Carter reported the church sale produced \$403. The Harvest Dinner will be after Church November 24th at the Shriners Hall following Church Service.
